A Lifetime of Coverage

You depend on Cat® power solutions for a lifetime of reliable service. Caterpillar offers Extended Service Coverage packages to keep you up and running. Plans for new, used, and overhauled engines are available, all backed by the power and expertise of Caterpillar.

The renowned global network of Cat dealers ensures professional service technicians. With their experience, training, and the guaranteed quality of Cat parts, they perform repairs quickly and accurately, to get you back to business as usual.

EXTENDED SERVICE COVERAGE EVERYWHERE NO ZONES, NO TERRITORY RESTRICTIONS

A Lifetime of Confidence

The peace of mind you get with Extended Service Coverage is available wherever you are...for whatever you need. Only Caterpillar offers this level of service. No zones, no territory restrictions – true global service. Extended Service Coverage also helps you avoid unexpected costs by paying up-front for unexpected repairs. And covered repairs return your engine to original operating specifications, meeting all mandated requirements for safe use and environmental compliance.

Contact your local dealer or visit MARINE.CAT.COM to find out more about getting the performance you expect with the coverage you deserve.

Plans cover all as shipped consist from the factory with Caterpillar part numbers, excluding consumables.
